ABOUT OUR WINDOW & DOOR IRONMONGERY

We take pride in partnering with local and national manufacturers who provide a wide selection of architectural hardware and ironmongery, designed to perfectly enhance our timber windows and doors. With innovative designs and expert craftsmanship, our partners bring years of experience in creating high-quality door and window hardware.

Many of our pieces are hand-crafted to exacting standards, with close attention to detail. Our hardware range caters to all styles and colour schemes—whether you're looking for brass, black, chrome finishes, or more intricate designs upon request.

If you're seeking the perfect finishing touch for your windows or doors, we offer options to complement any design. These pieces provide both practical function and timeless beauty, adding elegance to our collection. We also offer a range of accessories for items like front doors.

Maybe you want to bear the following psychology in mind when choosing your colour!

- Red attracts attention and shows strength, power and confidence - it's stimulating and vibrant and often used for period properties.
- Orange is encouragement, optimism and enthusiasm - it's extrovert, motivating and joyful.
- Yellow is youthful and full of energy - it's uplifting, confident and successful - it stimulates decision making.
- Blue instils trust, calm and peace - it represents loyalty and integrity and is also used as a classic colour.
- Green is refreshing and associated with nature and health - it also signifies abundance.
- Brown represents safety and reliability - the colour of the earth and reassuring.
- Grey avoids attention and is unemotional and detached but associated with maturity.
- Black is sophisticated, formal, strong and powerful and one of the most popular colours for traditional houses.

Many other colours are available with prices available on request.

Stain Choices – Samples of these are available on request. Please note that the appearance will differ depending on the base timber type. Darker colours will protect better against UV damage from the sun.

Base – Nutwood, Top – Nutmeg

Please note: All colour and stain swatches are just shown as an example, please request samples for exact colours. Please also bear appearance will differ depending on the base timber type.

TESTIMONIALS

TORQUAY

Entrance Doors, French Doors,
Sash Windows, Casement Windows.

Our whole experience with JTP Joinery from the first point of contact to the very end was nothing but professional. Extremely good customer service and very high quality work. The fitters, Chris and Aaron, were extremely professional and incredibly clean and tidy. Tayler and Phil kept us updated throughout the project and answered any queries promptly. At the end of the job the work was quality assured by Tayler. We will definitely be using JTP Joinery again. Highly recommended”.

NEWTON ABBOT

Casement Windows, French Doors, Sun Room

“

The windows and doors arrived promptly on site as promised and the fitting and installation was first class, with excellent attention to detail and a tidy finish. Delighted with our new windows and door and would not hesitate to ask JTP to complete any further work we require in the future.”
